

Our beloved "Lisa"
1987-Dec.24,2006

Elephants of Africa Rescue Society invites you to help us carry on the legacy of our beloved little Lisa who passed away on December 24th, 2006. Lisa loved helping raise funds for EARS so that more elephants, like her, could enjoy the special home and professional care given to them at EARS.

On January 19th, 2007, a bronze monument plaque was placed at the EARS facility to commemorate Lisa's legacy. We are building a brick path to that monument with the loving memories of those of you who loved Lisa and/or another special friend in your life that you would like to memorialize on our path.

Bricks can also be purchased to simply show the support of your family, business, club or organization for EARS and the elephants we care for. EARS is a 501(c)(3) non-profit organization; therefore, all donations are tax deductible. Please help us remember Lisa and carry on her work by purchasing a brick. It will enable us to offer other elephants the love, kindness and care that Lisa so enjoyed at EARS.

These clay bricks are laser engraved and guaranteed to last forever. Space is limited.
